March 24, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015/16 educational progress for the Ellsworth Community School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Aaron Gaffney, Superintendent for assistance.

The AER is available for you to review electronically by visiting the following web site www.ellsworth.k12.mi.us, or you may review a copy in the main office at your child's school.

As with all schools, ECS is constantly striving to improve the quality of education offered to all students. In the past three school years we have seen a dramatic increase of over twenty-percent in our PK-12 school enrollment. This can be directly attributed to the outstanding work being done by our entire teaching staff. Our motto, "Small school relationships ... big school opportunities" truly reflects the educational environment we are seeking to create. Through a combination of small class sizes, unsurpassed individual attention, and educational opportunities only available at much larger schools we deliver an education that is attractive to students and parents.

State law requires that we also report additional information.

1. ECS has two physical school buildings. Students in grades PK-5 are assigned to the elementary school, while students in grades 6-12 are assigned to the middle/high school.
2. Here at ECS we are constantly striving to improve the quality of education offered to all students. We undergo a continuous school improvement plan, which is reviewed and adjusted annually by staff.
3. There are no specialized schools associated with ECS.
4. The curriculum at ECS is aligned to state/national educational standards, copies are available in the office.
5. Biannually ECS administers the NWEA assessment in mathematics, reading, and language for all students in grades K-11. Among the many data points generated by this assessment is the statistic that in the 2014/15 and 2015/16 school years over 85% of ECS students in grades K-11 achieved at least one year of growth in both mathematics and reading.
6. ECS has a very high percentage of parents actively involved in school and community activities. During the 2014/15 and 2015/16 school years between seventy and eighty percent of students were represented by parents during parent-teacher conferences.
7. During the 2014/15 school year 18 out of 90 students in grades 9-12 were enrolled in one dual enrollment-direct credit course, with 17 earning college credit. During the 2015/16 school year 22 out of 95 students in grades 9-12 were enrolled in up to four dual enrollment-direct credit courses, with 18 earning credit in at least one course. During the 2014/15 school year one AP course was offered to one student. During the 2015/16 school year there were no AP courses offered.

In closing, we would like to thank all students, staff, parents, and community members for helping to make Ellsworth Community School a regional leader in K-12 education. The "Community" in Ellsworth Community School is a true reflection of what makes our school such a special place.

Sincerely,

Aaron Gaffney, Superintendent
